

APPARENT NETWORKS, INC.
SOFTWARE LICENSE AGREEMENT

IMPORTANT – READ THIS CAREFULLY BEFORE INSTALLING THE SOFTWARE

THIS IS A LEGAL AGREEMENT BETWEEN YOU (THE “LICENSEE”) AND APPARENT NETWORKS, INC. (“APPARENT NETWORKS”). BY INSTALLING AND USING THE SOFTWARE, THE LICENSEE AGREES TO BE BOUND BY THIS AGREEMENT. THE PERSON INSTALLING THE SOFTWARE REPRESENTS THAT HE/SHE HAS THE AUTHORITY TO BIND THE LICENSEE TO ITS TERMS. IF THE LICENSEE DOES NOT AGREE TO BE BOUND BY THIS AGREEMENT, DO NOT INSTALL OR USE THE SOFTWARE, BUT INSTEAD RETURN THE UNINSTALLED SOFTWARE AND ALL ACCOMPANYING ITEMS WITHIN THIRTY (30) DAYS OF PURCHASE FOR A FULL REFUND.

1. **Software.** “Software” means the executable, object code version of Apparent Networks’ proprietary software programs ordered and paid for by the Licensee, including the user documentation for the Software and any modules, components, interfaces, add-ons or features for the Software which are licensed to the Licensee by Apparent Networks. The Software also includes any updates for the Software when they are commercially released, provided that the Licensee has paid for maintenance services and is entitled to such updates under the terms of this Agreement.

2. **License Grant**

2.1 **Grant of License.** Subject to the terms and conditions of this Agreement, Apparent Networks grants to the Licensee a non-transferable, non-assignable, non-refundable and non-exclusive perpetual license: (a) to install and operate the Software on a single computer platform owned, operated and controlled by Licensee; (b) to permit the Licensee’s individual employees, contractors or agents (“Authorized Users”) to access and use the Software on behalf of and for the benefit of the Licensee; (c) to use the Software for Licensee’s internal business purposes to monitor and assess the number of Paths licensed to Licensee under each order form; and (d) to install and operate individual components or modules for the Software as set out in the user documentation. For the purposes of this Agreement, “**LAN Path**” means a network path leading to one or more user devices, such as a single computer, a server, a handset, a mobile device, or such other IP device determined by the Licensee on a local network. A “**WAN Path**” means a network path leading to one or more user devices, such as a single computer, a server, a handset, a mobile device, or such other IP device determined by the Licensee on a wide area network, satellite, MPLS, metropolitan area network, WiMax or other long distance network technology .

2.2 **Authorized Users.** The Licensee will be responsible for all acts and omissions of Authorized Users, and any act or omission by an Authorized User which, if undertaken by the Licensee, would constitute a breach of this Agreement, will be deemed a breach of this Agreement by the Licensee. The Licensee will use commercially reasonable efforts to make all Authorized Users aware of and bound by the terms of this Agreement as applicable, and the Licensee will cause Authorized Users to comply with such terms. The Licensee acknowledges and agrees that Apparent Networks assumes no obligation or liability to any third party engaged by the Licensee as an Authorized User.

2.3 **Documentation.** Licensee may print and make a reasonable number of copies of the user documentation for Licensee’s internal use by Authorized Users. Licensee will reproduce and include all copyright notices, trademarks or other proprietary legends of Apparent and its licensors on any copy of the Documentation.

2.4 **Software Keys and Access.** Apparent will provide Licensee with Software keys to permit Licensee to access and download the Software. Licensee acknowledges and agrees that the Software may, as a matter of administrative convenience, contain other Software products which have not been licensed to Licensee. Licensee will not attempt to gain access to, or permit any third party to attempt to gain access to such Software. Licensee will not disclose the Software keys to any third party and will not circumvent, or attempt to circumvent, any license management or security devices provided in connection with the Software.

2.5 **Back-Up.** Licensee may make a single copy of the Software for non-production, back-up and archival purposes only, provided that Licensee reproduces all copyright and other proprietary notices that are on the original copy of the Software.

2.6 **Evaluation License.** If the Software is provided to the Licensee for evaluation or demonstration purposes (the “Evaluation Software”), the license granted to the Licensee is limited to use of the Software during the evaluation period in accordance with the evaluation limits, solely for the purpose of evaluating the suitability of the Software for subsequent use by the Licensee. The Evaluation Software contains an automatic disabling mechanism that prevents use of the Evaluation Software after the evaluation period. The Licensee will not circumvent, or attempt to circumvent, the

disabling mechanism or otherwise avoid the evaluation limits for the Evaluation Software. At the end of the evaluation period, if the Licensee does not purchase a license for the Software, the Licensee must delete the Evaluation Software from all platforms and systems on which it was installed. Evaluation Software will be provided subject to the terms of this Agreement, except that the Evaluation Software is provided “as is” without warranty and Section 7 (“Limited Warranty”) does not apply.

2.7 **Upgrade License.** If the Software is an upgrade (the “Upgrade Software”), the terms of this Agreement replace the terms of the software license agreement for the original Software, unless otherwise expressly agreed by Apparent Networks in writing. The Upgrade Software is licensed to the Licensee on the terms and conditions set out in this Agreement, provided that the Licensee is authorized to acquire the Upgrade Software as a current subscriber to maintenance services for the Software. The Licensee will not sell or otherwise transfer possession of the original Software and must archive or destroy the original Software within ninety (90) days after installation of the Upgrade Software. The Licensee acknowledges and agrees that within ninety (90) days after installation of the Upgrade Software, the license for the original Software will terminate automatically.

3. **License Restrictions.** The Licensee agrees that it will not: (a) modify, adapt or translate the Software; (b) reverse engineer, disassemble or decompile the Software or any portion thereof, or otherwise reduce the Software from object code to source code; (c) provide access to or use of the Software, by anyone other than an Authorized User in accordance with this Agreement; (d) sublicense, assign, rent, sell, lease, distribute or otherwise transfer the Software or any of the rights granted by this Agreement; (e) create derivative works from the Software; or (f) use the Software to develop any works that are competitive to the Software.

4. **Third Party Software.** The Software may operate in conjunction with certain third party software (e.g. drivers, utilities, databases, virtual machine environment, operating system components etc) which is licensed to the Licensee by such third parties under separate license agreement. Where applicable, such third party license agreements will be made available with the Software. APPARENT NETWORKS AND ITS LICENSORS MAKE NO WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED, WITH RESPECT TO THIRD PARTY SOFTWARE AND EXPRESSLY DISCLAIM LIABILITY OF ANY KIND WITH RESPECT TO THE LICENSEE’S INSTALLATION, USE OR INABILITY TO USE ANY THIRD PARTY SOFTWARE.

5. **Ownership.** The grant of license under this Agreement is not a sale of the Software to the Licensee. The Licensee acknowledges and agrees that Apparent Networks and/or its suppliers retain all right, title and interest in and to the Software and all copies at all times, regardless of the form or media in or on which the original or other copies may subsequently exist. The Software is protected by patent and copyright laws and by international treaties. The Licensee will not copy the Software or documentation, except as expressly provided in this Agreement, and will reproduce and include all copyright notices, trademarks or other proprietary legends of Apparent Networks and its suppliers on any permitted copy of the Software or documentation. The Licensee will indemnify Apparent Networks for any infringement of Apparent Networks’ intellectual property rights that is caused, contributed to or encouraged by the Licensee’s failure to abide by the terms of this Agreement. Apparent Networks’ suppliers are the intended third party beneficiaries of the Agreement and have the express right to rely upon and directly enforce the terms set forth herein.

6. **Maintenance.** If the Licensee purchases maintenance for the Software, Apparent Networks will provide the maintenance services set out in the Maintenance Services Description posted, from time to time, on the Apparent Networks web site (<http://www.apparentnetworks.com>).

7. **Limited Warranty**

7.1 **Limited Warranty.** Apparent Networks warrants to the Licensee that for a period of sixty (60) days from the date of delivery of the Software to the Licensee: (a) the Software will conform substantially to the functional description set forth in the documentation for the Software; and (b) any physical media (e.g., diskettes or CD-ROM) containing the Software will be free from defects in materials and workmanship. To the extent any implied warranties cannot be disclaimed under Section 8 below, such warranties are limited to sixty (60) days from date of delivery. The above warranties specifically exclude defects resulting from accident, abuse, unauthorized repair, modifications, or enhancements, or misapplication. Apparent Networks does not warrant that use of the Software will be uninterrupted or error-free. Delivery of additional copies of, or revisions or upgrades to, the Software, including updates provided under a maintenance program, will not restart or otherwise affect the warranty period.

7.2 **Exclusive Remedy.** In the event the Software does not comply with the above-stated limited warranty, Apparent Networks will use commercially reasonable efforts to correct or replace the Software in a timely manner with product(s) which conform to the above-stated limited warranty. Such remedy will be provided to the Licensee by Apparent Networks only if the Licensee gives Apparent Networks written notice of any breach of the above-stated limited warranty, not later than sixty (60) days following the date of delivery of the Software to the Licensee.

8. **DISCLAIMER.** EXCEPT FOR THE EXPRESS WARRANTY STATED ABOVE, THE SOFTWARE IS PROVIDED "AS IS" AND THE LICENSEE ACCEPTS THE ENTIRE RISK AS TO THE QUALITY, PERFORMANCE AND RESULTS OF USE OF THE SOFTWARE. EXCEPT AS OTHERWISE RESTRICTED BY LAW, APPARENT NETWORKS AND ITS SUPPLIERS AND DISTRIBUTORS DISCLAIM ALL OTHER WARRANTIES, REPRESENTATIONS, CONDITIONS, OR GUARANTEES OF ANY KIND, EITHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, ORAL OR WRITTEN, WITH RESPECT TO THE SOFTWARE AND ANY SERVICES FURNISHED IN CONNECTION WITH THIS AGREEMENT, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OR CONDITIONS: (A) OF MERCHANTABILITY; (B) OF SATISFACTORY OR MERCHANTABILITY; (C) OF FITNESS FOR A PARTICULAR PURPOSE; (D) OF NONINFRINGEMENT; OR (E) ARISING FROM COURSE OF PERFORMANCE, COURSE OF DEALING, OR USAGE OF TRADE. SOME JURISDICTIONS MAY NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO THE LICENSEE, AND THE LICENSEE MAY HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE TO STATE OR BY JURISDICTION.

9. **Infringement Indemnity.** Apparent Networks will, at its expense, defend the Licensee against any judicial proceeding based upon a claim that the Software infringes or misappropriates any previously issued Canadian or United States patent or any Canadian or United States copyright and will indemnify the Licensee against damages, judgments and costs finally awarded against the Licensee in such proceeding. Apparent Networks' obligations under this Section 9 are conditioned upon: (a) the Licensee notifying Apparent Networks of any such proceeding promptly after the Licensee receives notice of it; (b) Apparent Networks having control over the defense or settlement of the proceeding; (c) the Licensee providing such assistance in the defense or settlement of the proceeding as Apparent Networks may reasonably request, at Apparent Networks' cost; and (d) the Licensee's compliance with any settlement or court order made in connection with the proceeding (e.g., as to the future use of any infringing Software).

Apparent Networks' obligations under this Section 9 will not apply to any actual or alleged infringement based upon modification of the Software by anyone other than Apparent Networks or the use of the Software in combination with any other program or device, if such infringement would have been avoided but for such modification or combination. In the event of any infringement proceeding of the type described in this Section, the Licensee will allow Apparent Networks, at Apparent Networks' option and expense: (a) to procure the right for the Licensee to continue to use the Software; or (b) to replace or modify the Software so that the license under this Agreement may continue. If neither of the foregoing alternatives is available on terms that are reasonable in Apparent Networks' sole opinion, then the Licensee will, upon written request from Apparent Networks, cease using the Software and return it and all related materials to Apparent Networks. In such case, Apparent Networks will refund to the Licensee all unused maintenance fees (up to the date of Apparent Networks' request to return the Software) and a prorated portion of the license fees paid by the Licensee for the Software. The license fee refund will be prorated based on the actual number of months the Software is used and an assumed useful life of three (3) years.

10. **Licensee's Indemnity.** The Licensee will, at its expense, defend and indemnify Apparent Networks from and against any losses, costs or damages resulting from or arising out of any claims filed by third parties in respect of or in connection with: (a) use of the Software by the Licensee's affiliates or third party service providers, contractors, consultants, agents and customers; and (b) use of the Software in the provision of services by the Licensee to its third party customers. The foregoing indemnity is conditioned upon Apparent Networks giving the Licensee prompt written notice of any such claim, tendering to the Licensee the defense or settlement of any such claim at the Licensee's expense, and cooperating with the Licensee, at Apparent Networks' expense, in defending or settling such claim. This indemnification obligation will not apply to infringement actions or claims if such actions or claims are based solely on the use of the Software in the form provided by Apparent Networks.

11. **LIMITATION OF LIABILITY.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, APPARENT NETWORKS AND ITS LICENSORS WILL NOT BE LIABLE FOR ANY INCIDENTAL, SPECIAL, CONSEQUENTIAL OR INDIRECT DAMAGES OF ANY KIND (INCLUDING DAMAGES FOR INTERRUPTION OF BUSINESS, PROCUREMENT OF SUBSTITUTE GOODS, LOSS OF PROFITS, OR THE LIKE) REGARDLESS OF THE FORM OF ACTION WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT PRODUCT LIABILITY OR ANY OTHER LEGAL OR EQUITABLE THEORY, EVEN IF APPARENT

NETWORKS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL APPARENT NETWORKS' AGGREGATE CUMULATIVE LIABILITY FOR ANY CLAIMS ARISING OUT OF OR RELATED TO THIS AGREEMENT EXCEED THE AMOUNTS PAID TO APPARENT NETWORKS BY THE LICENSEE FOR THE SOFTWARE OR SERVICE THAT GAVE RISE TO THE CLAIM. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages so this limitation and exclusion may not apply to Licensee.

12. **Termination.** This Agreement may be terminated immediately by either party if the other party: (a) becomes insolvent or bankrupt, becomes the subject of any proceedings under bankruptcy, insolvency or debtor's relief law, has a receiver or manager appointed, makes an assignment for the benefit of creditors or takes the benefit of any applicable law or statute in force for the winding up or liquidation of corporations; (b) breaches the confidentiality provisions contained in this Agreement; or (c) is in material breach of this Agreement and such breach has not been remedied within thirty (30) days from receipt of notice of the breach from the non-breaching party. For clarity, a material breach includes, but is not limited to, a failure by Licensee to make any payment due under this Agreement or failure by either party in any material respect to observe or perform any covenant or condition that the party is required to observe or perform.

Upon the termination of this Agreement for any reason, unless otherwise agreed by the parties in writing, the Licensee will: (a) immediately cease all use of the Software; (b) either return the Software to Apparent Networks or destroy same, and certify to Apparent Networks, in writing, that all copies and partial copies thereof have been returned or completely destroyed and are no longer being used; and (c) notify any third parties using the Software through the Licensee to comply with the foregoing. Sections 4, 5, 8, 9, 10, 11, 13, 14, 15 and 16 will survive any termination of the Agreement.

13. **Export Controls.** The Software is subject to United States export laws and administrative regulations. The Licensee agrees not to export or re-export any of the Software to: (a) to any country or region to which the United States has embargoed or restricted the export of goods or services, which currently include, but are not necessarily limited to Cuba, Iran, Iraq, Libya, North Korea, Sudan, the Taliban and Syria, or to any national of any such country or region, wherever located, who intends to transmit or transport the Software back to such country or region; (b) to any person or entity who the Licensee knows or has reason to know will use the Software in the design, development or production of nuclear, chemical or biological weapons; or (c) to any person or entity who has been prohibited from participating in United States export transactions by any federal agency of the United States government.

14. **United States Government Restricted Rights.** The Software is a "commercial item," as that term is defined at 48 C.F.R. 2.101 (Oct. 1995), consisting of "commercial computer software" and "commercial computer software documentation," as such terms are used in 48 C.F.R. 12.212 (Sept. 1995). Consistent with 48 C.F.R. 12.212 and 48 C.F.R. 227.7202-1 through 227.7202-4 (June 1995) (or an equivalent provision, e.g., in supplements of various United States government agencies, as applicable), all United States Government users acquire the Software with only those rights set forth herein. The Manufacturer is Apparent Networks Canada Inc., Suite 400 – 321 Water Street, Vancouver, British Columbia, Canada, V6B 1B8.

15. **Audit.** During the term of the Agreement and for a period of one (1) year after termination or expiration, the Licensee will maintain complete records regarding the Licensee's installation, access and use of the Software. To ensure compliance with the terms of this Agreement, upon request, the Licensee will provide Apparent Networks with a report of the Licensee's installation, access and use of the Software. The Licensee will allow Apparent Networks reasonable access to Licensee's computer systems, books and records during regular business hours to permit Apparent Networks to verify the Licensee's use of the Software and its compliance with this Agreement. In the event any such audit reveals that the Licensee has underpaid Apparent Networks by an amount greater than five percent (5%) of the amounts due Apparent Networks in the period being audited, or that the Licensee has knowingly breached any material obligation hereunder, then, in addition to such other remedies as Apparent Networks may have, the Licensee will pay or reimburse to Apparent Networks the cost of the audit.

16. **General**

16.1 **Governing Law.** This Agreement will be deemed to have been made in and governed by the laws of the Commonwealth of Massachusetts, United States of America, without reference to conflict of laws provisions. Subject to and without restriction of the rights of a party to injunctive relief or other interim measures of relief, the parties agree to submit to the jurisdiction of the courts of the Commonwealth of Massachusetts. The United Nations Convention on Contracts for the International Sale of Goods is expressly excluded.

16.2 Complete Agreement. This Agreement, together with the each order form for the Software, constitutes the entire agreement between the Licensee and Apparent Networks, and supersedes any prior agreement, whether written or oral, relating to the subject matter of this Agreement. The terms of this Agreement control over all pre-printed terms of any purchase order and such pre-printed terms are disclaimed and of no effect. All terms of any purchase order or any other licensing documentation submitted by Licensee will be superseded by this Agreement. This Agreement may not be modified except by an instrument in writing duly signed by an authorized representative of each of the parties.

16.3 Notices. Any notice that either party is required or permitted to give to the other party under this Agreement will be in writing in the English language, and will be delivered to Apparent Networks at: Suite 100, 110 Cedar Street, Wellesley Hills, MA 02481-1909 (Attention: Chief Financial Officer) and to the Licensee at the address provided on the order form for the Software. Either party may, from time to time, change their address for notice by providing written notice of the change to the other party. The delivery of notice will be by personal delivery, courier or registered mail. Delivery will be deemed effective upon receipt, if delivered personally or by courier, or five (5) business days from sending, if delivered by registered mail.

16.4 Delays. Neither party to the Agreement will be liable to the other party for loss or damage arising out of any delay or failure by such party in performing its obligations hereunder (other than a payment obligation), if such delay or failure was the unavoidable consequence of any Act of God, exercise of governmental power, strike or other labour disturbance, war, revolution, embargo, insurrection, operation of military forces, or other event or condition beyond the control of such party; provided that such party: (a) notifies the other party of its inability to perform and the reasons therefore, with reasonable promptness; and (b) performs its obligations hereunder as soon as circumstances permit.

16.5 Waiver and Severability. No waiver of any right under this Agreement is effective unless made in writing and signed by a duly authorized representative of the party to be bound. No waiver of any past or present right arising from any breach or failure to perform will be deemed to be a waiver of any future right arising under this Agreement. If any provision of this Agreement is unenforceable, that provision will be construed, limited, modified or, if necessary, severed to the extent necessary to eliminate its unenforceability and the other provisions of this Agreement will remain in full force.

16.6 Assignment. The Licensee may not assign this Agreement without the prior written consent of Apparent Networks. This Agreement will enure to the benefit of and be binding upon the parties and their respective legal representatives, successors, executors, heirs and permitted assigns.
